

Full range monitoring without a sub.
It can't be true.

2.1 is the new stereo. Find out why at www.abluesky.com

If you don't believe in subwoofers,
you don't believe in physics.

2.1 is the new stereo. Find out why at www.abluesky.com

Bass.

If you can't hear it, you can't mix it.

2.1 is the new stereo. Find out why at www.abluesky.com

2.1 The new stereo
